200/14: To consider Planning Applications

51/15/00001/CG. Greenway Garage, Quantock Road, Bridgwater TA5 2AX. Redevelopment of petrol filling station including demolition of existing shop, workshop, forecourt and canopy and removal of underground tanks, erection of sales building, forecourt, canopy, car wash and installation of underground fuel tanks.

Resolved - To reply as follows:

Wembdon Parish Council are supportive of something positive being done to an ever deteriorating site but we have strong reservations about the safety of the crossroads next to the proposed development, which is a known accident black spot. A 60mph speed limit along this stretch of road is thought to be too fast for the amount of traffic which would be entering and leaving this development. This is the sole issue which prevents Wembdon Parish Council being able to support the application.

The proposal was properly proposed and seconded (Unanimous)

The meeting closed at 7.25pm
