

Wembdon Parish Council would like to invite you to the

Annual Parish Assembly.

To be held in Wembdon Village Hall on
Monday 22nd April @7.30pm.

Please come and join your parish councillors for a summary of the year's achievements and a look ahead to 2024-25, which will be a challenging year due to the Somerset Council devolution programme.

Our guest speaker will be Alys Laver of Steart Marshes who will give a 30 minute talk about the importance of the wetlands and the developments that have been made at Steart over recent years. The area has changed beyond recognition and provides a very important site for both the birds and people.

This has been an interesting and informative evening in previous years. Following the meeting, at about 8.30pm, the bar will be open and everyone attending will be offered a free drink of their choice and nibbles.

We look forward to seeing you.
